Gentlemen:

Subject: Welding Repair for Main Engine Components of UEC Diesel Engines

We have great pleasure in introducing to you, by this letter, that the under-mentioned companies are acknowledged as a recommendable repairer for the main engine components of;

- (1) Cylinder cover
- (2) Piston crown
- (3) Exhaust valve housing
- (4) Exhaust valve spindle and seat

Company in cooperation: Toei Engineering Co., Ltd and its overseas subsidiary,
Toei Engineering (S) Pte. Ltd.

Toei Engineering Co., Ltd. has many experiences in the welding repair and the reconditioning of the above-mentioned components of UEC diesel engines and is actually placed many orders for the repair work by us, MHI.

You will be able to receive sufficient services for the said components either by direct contact with the above-mentioned company or through us, MHI.

Your continued patronage to the said company as well as MHI would be highly appreciated.

Sincerely,

Yoshihiro Nakamura
Manager, After-Sales Service Group
Diesel Engine Department
